City Council Workshop #2
Tuesday, August 31, 2010 at 7:00 P.M.
Belfast City Hall – Council Chambers
**** 5Th Tuesday of the Month ****

This is a Council work session which involves free flowing Council discussion and where no formal action is taken. Public input is generally limited to Business Commentary.

Proposed Agenda:

1. Brief Discussion with the City Planner regarding schedule and kick off on the Master Waterfront and Downtown Plan
2. Public Business Commentary: ideas, suggestions or concerns
3. Economic Development Update
 - A) General report on Economic Development activity by Director Thomas Kittredge, along with his initial impressions
 - B) Potential Grant / Funding sources - - presentation and review
 - C) Review of Economic Development Projects and Pursuits -- following an identified list

NOTE: We will have handouts to the Council well before the meeting.

Also Please Note: It is the City Manager's preference that we keep confidential and out of the public domain any information staff understands to be confidential, including the identification of any business who we are quietly working with.

If Council Members have individual questions on non-disclosed information we will follow up with them individually.
