

CITY CLERK

Roberta L. Fogg, City Clerk

The City Clerk’s office provides general information to the Citizens of Belfast and Visitors alike as well as the City Council and other City Employees. We provide information about the some of the services offered by the different city departments as well as general information about our community. Please don’t hesitate to contact us.

The City Clerk's office processes birth, death and marriage records, dog licenses and many more. We process all fees and receivables for the city that are not tax related, such as code department permit fees, ambulance department and cemetery department receipts and many more.

We issue business licenses and permits such as liquor licenses, special amusement, Victualer (food service) and most other business related items. We help provide prospective business people with the information on how to obtain their state licenses as well as their local licenses required to start a new business or expand their current operation. If you’re thinking of starting a business in Belfast or have any questions about our services we provide, please give us a call.

The City Clerk’s office also administers all Federal, State and Local elections. If you have any questions about registering to vote or anything related to elections please feel free to contact us at 207-338-3063 or via email at cityclerk@cityofbelfast.org If we can’t answer your question we will help you find someone who can.

The City Clerks Office is here for you; stop by and see us sometime.
